### Pastor's Message:

As I write this, the church building is full to overflowing with 103 kids and over 50 youth and adult volunteers all here for Weird Animals Vacation Bible School. It has been a wonderful and exciting week. The kids and the volunteers all seem to be enjoying themselves immensely—a vision of what the church is, can, and should be. The excitement continues beyond this week at CMPC--well, technically at CMPC and beyond. We will welcome our neighbors with snow cones and hot dogs on the 4th of July. Our church's team of missionaries to Mars Hill, NC will be leaving on the 13th and our delegation to the GenOn youth summit will head out on the 20th. Summer is heating up here. Read more about these and other events and ministries in the pages that follow.

**Peace in Christ,**

**Rev. Scott Hoffman**

## Christ Memorial Christian Preschool

A happy ending is just the beginning! It doesn't seem possible that nine months have passed and school is over for the summer. We concluded our unit on *God and my World* as we studied plants, transportation, and summer health and safety. Our Bible stories centered on one of God's special helpers, Paul, and how he told others about Jesus. In addition to our regular activities, there were lots of other events to keep us busy. We made muffins for our moms and hosted two Mother's Day celebrations, went to Toby's Children's Theater and saw *Frog and Toad*, and we held a trike-a-thon for St Jude's research hospital and raised enough money to provide wheelchairs for two children! On FUN DAY we played outside, enjoyed a moon bounce, bubbles, sand castle building, feet painting, and the release of our classroom butterflies. Our year concluded with special celebrations for each class.

We were blessed to have Julie Huston with us this year and sorry to say goodbye to her at the end of the school year. Julie and her husband are retiring to sunny South Carolina. Because of Julie's retirement we have an opening for a teacher assistant. Please let your friends and family know that we are currently searching for a nurturing person who loves children. This is a part-time position, from 8:30 a.m. to 12:15 p.m. offering competitive compensation and excellent working conditions. Interested persons can send their resume to Missy Sullivan, either by mail to 6410 Amherst Avenue Columbia, MD 21046 or email to [preschool@cmpcusa.org](mailto:preschool@cmpcusa.org).

The preschool is pleased to announce that in 2014 we became a Quality Rated Program through Maryland Excels. This program identifies schools that go above and beyond the Maryland State Department of Education regulatory requirements. In addition, we maintained our certification as a Healthy Childcare site by continuing to provide an environment that promotes healthy behaviors.

We still have some openings in our three and five-day classes for the upcoming school year! Three-day class ~ (\$207) this Monday, Wednesday, Friday class (9 a.m. to noon) is for children who turn four before September 30th.

Five-day class ~ (\$325) this class meets every day (9 a.m. to noon) and is for children who will attend Kindergarten the following school year.

All children must be potty-trained before school begins. Financial assistance is available.

For more information, visit [www.cmpcusa.org/preschool](http://www.cmpcusa.org/preschool) or contact Missy Sullivan, 410-997-8011

## GenOn Youth Summit

during the week of July 20-26th 23 of our high school youth, college students, and adult leaders will be at Wheeling Jesuit University in West Virginia for the GenOn Youth Summit East. It's a LOGOS-style camp each day, featuring meals (in the college dining hall), worship, activity time, and small group Bible study. The youth choose their activity time for the week (sports, crafts, quiet games, guitar, dance, drama), and college students and adults offer leadership during activities or in Bible study.

Wednesday is our off-site mission day where we divide by Bible study groups for a variety of service opportunities in the Wheeling area.

Each evening will close with an all-summit event (dance, talent show, cookout, field games) and the week ends Friday night with a powerful worship and communion service. This week is more than a series of activities. It is a coordinated time designed to allow participants the environment to examine their faith, to grow in their commitment to Christ, and to feel closer to God.

Each family pays a portion of the registration fee and our generous and supportive congregation has helped fund the rest through our Wall of Support and the evening of Musical Treats and Sweets. There is still time to financially support our trip by pulling off an envelope hanging in the hallway outside of the church sanctuary and turning in a check for the amount on the outside.

We ask for your prayers as we prepare to leave and during our time away.

Youth: Josh Aslam, Lindsay Albright, Maddon Barham, Andrew Foster, Eliza Foster, Chris Hong, Ashley Imus, Celine Mbah, Zach Meyers, Jacklyn Meyers, Amanda Raid, Nate Richards, Noah Teshome, Lucas Teshome

College Students: Rebecca Pfeiffer, Meghan Phillips, Laura Yawney

Adult Leaders: Laura Doherty, Beth Foster, Bill Gretsche, Liz Perraud, Hyiwot Teshome, Don Wade

## Christian Education

---

### **Sunday Morning Under Construction!**

The Christian Education committee is starting to revamp our traditional Sunday School program. Watch the fall Heralds and weekly E-News for more details.

Sunday Experience continues every Sunday even during the summer. Children from preschool through grade three can leave the worship service at the end of the “moment with children” and participate in age-appropriate activities downstairs.

Looking for a way to contribute to CMPC? The Christian Education committee has a number of opportunities for you. The committee needs teachers for the fall Sunday Experience program. Volunteers can sign up for one month out of the year – this is just a four week commitment. CE provides the curriculum and the materials and assistants are there to help each Sunday. For information about either opportunity, please contact Linda Johnson at [lindaj@najmi.us](mailto:lindaj@najmi.us) or Debbie O’Neal at [oneal04@aol.com](mailto:oneal04@aol.com).

### **Vacation Bible School 2014 – Weird Animals!**

On Monday, June 23rd, the Vacation Bible School staff welcomed over 100 children – ranging from preschool age through grade five – to our sanctuary. The children started each day of VBS with learning the words and motions to several songs that reinforced the week’s theme that Jesus loves you even when...you’re left out, you’re different, you don’t understand, you do wrong, and when you’re afraid. Also, during the week, the children enjoyed Bible stories, science lessons, outside play, video lessons, and healthy snacks at the Critter Cafe! During the closing ceremony on Friday, children sang songs for their families and a cookout was held following the ceremony.

Special thanks go to co-directors Ashlee Hoffman, Elyn Thomas, and Pam Mitchell for their excellent planning and organization of the overall VBS program. However, the week would not have happened without the many adults and young people who served as station and crew leaders for the children. The entire staff did a fantastic job!

### The Rebel Planet

[As you read this remember that Satan currently has power in this world, but God is the all-Powerful one and Satan can do nothing without God's permission. "Greater is he that is in you than he that is in the world." ([John 4: 4](#))

In order to understand our position on this planet and the necessity to make a decision whom we will serve (see [Joshua 24: 15](#)), we must examine the evidence concerning who is the present Power on this earth.

There are 2 passages telling about Satan you must read to gain an understanding of this text: [Isaiah 14: 12](#) and [Ezekiel 28](#).

"How you are fallen from heaven, O Lucifer, son of the morning! How you are cut down to the ground, You who weakened the nations!

For you have said in your heart: 'I will ascend into heaven, I will exalt my throne above the stars of God; I will also sit on the mount of the congregation On the farthest sides of the north;

I will ascend above the heights of the clouds, I will be like the Most High.'" [Isa 14: 12 -14](#) (NKJV)

Satan's first error was in saying "I will ". Even our Lord, in praying to the Father said, "Not as I will, but as thou wilt." ([Mt. 26: 39](#), see also [Mt. 6: 10](#); [John 4: 34](#); and [Acts 21: 14](#)). If our Lord made himself subject to the Father's will, how much more are we responsible to make our wills subject to His! The ultimate result of our insisting on our own way is the same as Satan's: "I will make myself like the Most High." This is specifically forbidden. "You shall have no other gods before me." ([Deut. 5: 7](#)). [If you read [Isaiah 14: 3-23](#), you will see that God is speaking to Satan thru the king of Babylon, reviewing the cause of his fall from heaven, the fact that he has ruled the rulers of this earth, and his final destiny.]

## Window on the Word

(continued)

We find a similar situation in [Ezekiel 28](#), when God is speaking to and through the king of Tyre. Verses

[1 & 2](#), and [11-19](#) are the significant ones, but we are going to quote only verses [2](#) and [12a](#) (NIV)

“In the pride of your heart you say, ‘I am a god; I sit on the throne of a god in the heart of the seas.’.....

“You were the model of perfection, full of wisdom and perfect in beauty. (see [27: 3](#))

The rest of the chapter describes him and his position. Please check out the rest of the reference for yourself.

[Genesis 1](#) tells of the creation, including:

“So God created man in his own image, in the image of God he created him; male and female he created them.....God saw all that he had made, and it was very good.” [Gen 1: 27, 31](#) (NIV)

So man was created without sin.

God gave Adam one restriction ([Gen. 2 : 16-17](#)).

Through the serpent, Satan (see [Ezekiel 28: 13](#)) cast doubts on the word of God, telling Eve, “For God knows that when you eat of it your eyes will be opened, and you will be like God, knowing good and evil.”([Gen. 3: 4](#) NIV) [Note, again the desire to be like God.] Eve was deceived and disobeyed God’s specific command. Be-cause Adam also ate of the fruit, God sent both of them from His presence, gave them the death sentence ([3:19](#)), cursed the earth because of them ([Gen 3:17-19](#)) and made the covenant that he would provide a re-deemer through the woman ([3: 15](#)).

This was humankind’s penalty for sin (disobedience to God); the penalty was God’s enmity, resolved only through the Christ. (Peace on earth,” the angels sang! [Luke 2: 14](#) KJV).

[Romans 8](#) tells us the good news that Christ Jesus “destroyed sin’s control over us by giving himself as a sacrifice for our sins” (verse [3](#) Living Bible). It also states, (verses [21-22](#) KJV) “...the creation itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God. For we know that the whole creation groaneth and travaileth in pain together until now.” This chapter explains our hope and is high priority reading, but let us continue exploring the matter of our slavery and our master. “It is for freedom that Christ has set us free. Stand firm then, and do not let yourselves be burdened again by a yoke of slavery” ([Gal. 5: 1](#)).

(KJV uses the word “bondage”). “Since the children have flesh and blood, he (Christ) too shared in their humanity so that by his death he might destroy him who holds the power of death - that is, the devil - and free those who all their lives were held in slavery by their fear of death” ([Heb2: 14-15](#) NIV). (To be continued next month.)

But a deceitful witness speaks lies.

### **New Lock System Update**

A number of weeks ago we announced that a new electronic lock system would be added to the main entrance off of the parking lot here at CMPC. Unfortunately, the company we were working with is no longer able to assist us with adding that type of system. We are currently looking into other options, but wanted you to know that this project is on hold indefinitely. Once we know that we are back on we will get word out in advance. Thank you for your patience.

### **Habitat for Humanity Workday**

CMPC is a member of United Churches, a faith based organization whose members support Habitat for Humanity for the Chesapeake. Over a period of several years, CMPC has provided both financial and volunteer support to Habitat to rehabilitate homes in Baltimore. This year Habitat has assigned United Churches a workday on August 16, 2014. The location of the property will be determined shortly and volunteers will work from 8:30 a.m. to 4 p.m. No construction skills are required. If you are interested in participating, please contact BJ Walworth at [bjwalworth@hotmail.com](mailto:bjwalworth@hotmail.com) or by phone at 410-300-0242 or 410-381-3047 no later than August 1st, which is when BJ needs to submit the names of the CMPC team to United Churches coordinator. On the day of the event, volunteers will meet at CMPC between 7 and 7:30 a.m. and carpool. The exact time of the meet will be dependent on the location.

### **CMPC's New Facilities and Property Manager!**

We are pleased to welcome Tito Baca as the newest member of the CMPC staff as he has accepted the invitation to serve as our new Facilities and Property Manager. Tito officially began his work with us in June and can be contacted at [pm@cmpcusa.org](mailto:pm@cmpcusa.org).

### **Carrie Jenkins to be the New LOGOS Director!**

### **Church Retreat**

Get ready for our first ever CMPC retreat! The retreat will be held from October 3-5, 2014 at the Claggett Center in Adamstown, MD (near Frederick). All ages are invited to participate. Those younger than high school age must be accompanied by a parent. The cost, which includes two nights of lodging and meals is \$160 per person with a \$395 cap for a family. Set aside the weekend now (from after dinner on Friday through just before lunch on Sunday) and watch for more details coming soon.

### **Ad Hoc Facilities Report**

In the June Herald we reported that the session approved a request by the Ad Hoc Facilities Committee to contract with Alexander Design Studios (ADS) to help us move forward in our effort to improve our facilities. ADS received a summary of the wants and needs expressed in previous CMPC committee and town hall meetings as well as drawings of the existing buildings. At our first meeting with ADS the Ad Hoc committee walked around the building, visiting every room and closet and answered questions in detail on how, by whom, and when each space was used. We also discussed site issues, such as access and parking. ADS will prepare a 3D computer model of our existing facility and will also prepare what they call a Programming Analysis Book which will incorporate the information we have provided and help insure we are all on the same page. We hope these steps will be completed by the end of July. The next step is for ADS to offer Master Plan Alternatives for discussion and review. We expect to share these alternatives with the congregation for comment when they are in a suitable form. Stay tuned. ~ Respectfully submitted by Jim Pierce

### **A Financial Update**

What an exciting program year! There were so many meaningful ways to serve the Lord. As we head into the summer, CMPC is far from resting with programs such as Vacation Bible School, the Mars Hill Mission trip, the GenOn Youth Summit, and more. Many of us will be heading off on vacation though, and as we do, please don't forget that the church operations continue full steam ahead through those dog days. Through the end of May we are lagging a bit behind budget, with revenue expected to be \$208,500 while the actual amount is \$194,500. Before I hear any complaints about the hot weather, we did experience a significant cost overrun in snow removal and utilities this winter. The session has managed these overruns with other offsets and continues to watch the church's expenses carefully. However, we are confident that the total revenue goal for 2014 will still be met. Enjoy the summer! - Annette Hinkle, Finance Chair
