Fall Leaves Shape Tree

This fall preschool activity will focus on identifying and matching shapes. You can use the provided printable to complete the activity or you can recreate it using butcher paper and construction paper.
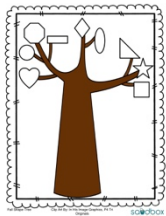

FOCUS SKILLS

Geometry

- Identify common 2-dimensional shapes such as squares, rectangles, triangles, heart, star, circle, semi-circle, oval, diamond

Patterns

- Sort objects based on two characteristics; size, color, shape, texture, or weight

Fall Shape Tree | Clip Art By: In His Image Graphics, P4 Tri Originals

REQUIRED MATERIALS

Fall Shape Tree Template

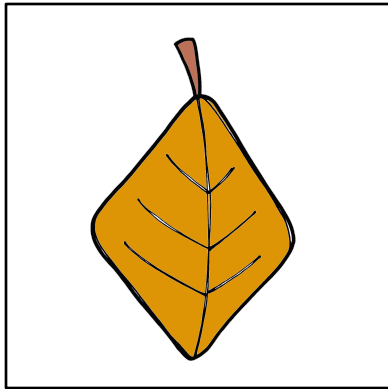

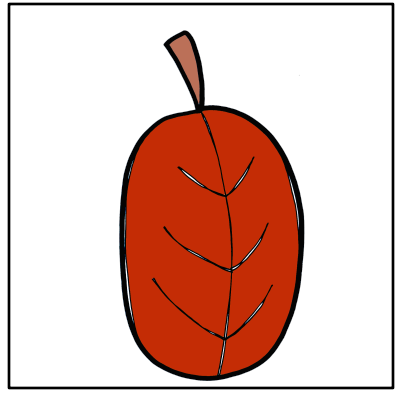

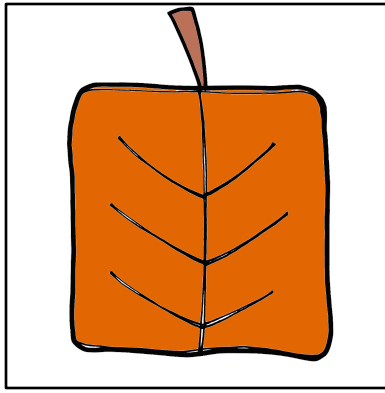

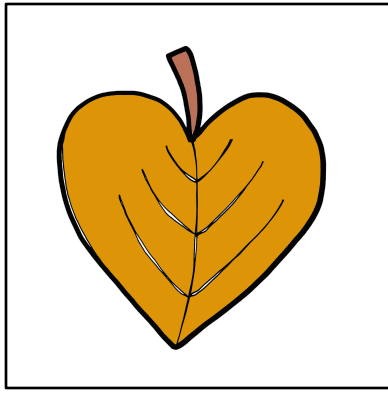

Scissors

Glue

INSTRUCTIONS

STEP #1 Print and cut out the Fall Leaf Shape Tree Template.

STEP #2 Invite your preschooler to match and glue the leaves to the tree based on the shape.

TEACHER TIP

You can add a sensory element by placing the leaves in a sensory bin for your preschoolers to take them out of.
