

People in Your Neighborhood

By Sesame Street

Oh, Oh, who are the people in your neighborhood?

In Your Neighborhood?

In Your Neighborhood?

Say, who are the people in your neighborhood?

The People that you meet each day

Oh, the postman always brings the mail

Through rain or snow or sleet or hail

He'll work and work the whole day through

To get your letters safe to you

'Cause a postman is a person in your neighborhood

In your neighborhood

He's in your neighborhood

A postman is a person in your neighborhood

A person that you meet each day

Oh, a fireman is brave it's said

His engine is shiny red

If there's a fire anywhere about

Well, he'll be sure to put it out

'Cause a fireman is a person in your neighborhood

In your neighborhood

He's in your neighborhood

A fireman is a person in your neighborhood

A person that you meet each day

The baker is the one who makes

Your bread and rolls and pies and cakes

If you want something sweet to eat, go see the baker
in the bakery

'Cause a baker is a person in your neighborhood

In your neighborhood

He's in your neighborhood

A baker is a person in your neighborhood

A person that you meet each day

A teacher works the whole day through

To teach important things to you

She'll teach you things you won't forget

Like numbers and the alphabet

'Cause a teacher is a person in your neighborhood

In your neighborhood

She's in your neighborhood

A teacher is a person in your neighborhood

A person that you meet each day

The doctor makes you well real quick
If by chance you're feeling sick
She works and works the whole day long
To help you feel well and strong

'Cause a doctor is a person in your neighborhood
In your neighborhood
She's in your neighborhood
A doctor is a person in your neighborhood
A person that you meet each day
