

Capital Campaign 2021

October 6, 2021

Dear Members and Friends of CMPC,

This letter is to serve as an invitation to a special worship service on October 24th at Christ Memorial. That Sunday will be the official kick-off for our ***Faithfulness Received, Faithfulness Returned*** capital campaign. My sermon and a brief video we will show that day will focus on the campaign, but much more importantly on the vision that is behind it. That's why we're calling the day Vision Sunday. Ultimately our campaign isn't about paying down debt. It's about setting ourselves and future generations up to be a church focused on Christian mission and witness to others.

Following the service, each household will receive a packet of materials to guide you through the 4-week period before Commitment Sunday on November 21st: a devotional guide, a brochure, and a prayer reminder. We are providing these resources because it is our sincere hope that the campaign will be a spiritual journey more than a classic fundraiser. We want all our members' decisions to be spiritual decisions before they're financial decisions. We want the campaign to deepen our faith.

Finally, following the worship service on October 24th, and following the worship service on October 31st, you are invited to attend Question and Answer sessions about the campaign at the front of the sanctuary. If you have any questions or are interested in questions that other members might ask, please come.

Thanks for being the faithful church that you are. I hope you will join us (in-person or online) on Vision Sunday.

In Christ,

Rev. Scott W. Hoffman
